PROFILE

Full Stack Architect specializing in AI-powered, cloud-native applications. CEO/Founder of Griggs Mutual Holdings, LLC (TGS Financial System / KribSavup), leading end-to-end architecture across front end, APIs, data, cloud, and generative AI—guiding engineering teams through design reviews, PoCs, and production release.

SELECTED IMPACT

- Architected an AI-enabled fintech platform for credit, budgeting, saving, and homeownership prep.
- Integrated LLMs, RAG-style retrieval, and agent-like next-best-action guidance into the product.
- Established privacy-aware AI UX (leaderboards share scores, not sensitive personal data).
- Led cross-functional delivery with developers, AI partners, product, and community stakeholders.

EXPERIENCE

Full Stack / AI Architect · CEO & Founder Feb 2020 – Present

Griggs Mutual Holdings, LLC · KribSavup / TGS Financial System
Eastvale, CA · Remote-capable

- Define end-to-end architecture for web/mobile fintech apps spanning UI, APIs, data, integrations, and AI layers.
- Design and integrate generative AI: LLMs, prompt workflows, RAG, embeddings/vector retrieval, and agent orchestration.
- Lead architecture reviews, technical design sessions, PoCs, and engineering standards with development partners.
- Drive AI governance—model safety, data privacy, hallucination reduction, observability—and optimize for scale, reliability, and cloud cost.

President / CEO Feb 2022 – Present

Steward's Mission, Inc. (501(c)(3))
Beaumont, CA

- Extend intelligent finance application delivery into community programs with clear technical requirements and stakeholder alignment.
- Translate real-world user needs into prioritized AI/product architecture for education-to-action experiences.

Owner · Mortgage & Real Estate Broker Jan 2012 – Present

Griggs Mutual Realty & Management
Eastvale, CA

- 25+ years domain leadership informing secure architecture for credit- and loan-related intelligent applications.
- Define domain workflows (FHA, VA, Conventional, reverse mortgages, refinances) that shape APIs, data models, and AI logic.

General Manager Oct 1994 – Nov 2014

Commercial Door Company Inc.
Pomona, CA

- Led operations and multi-team delivery for 20 years—foundation for later technical program ownership at scale.
