

Timothy Griggs

Web Front End Developer

Eastvale / Beaumont, CA · Los Angeles Metro (951) 751-8376 tgriggs@gmutualrealty.com [LinkedIn](#) kribsavup.com

PROFESSIONAL SUMMARY

Web front end developer and product founder focused on clean, responsive user interfaces for consumer fintech applications. As CEO/Founder of Griggs Mutual Holdings, LLC (TGS Financial System / KribSavup), lead front-end product experiences that help users budget, improve credit, save, and prepare for homeownership—collaborating with developers and AI innovators to ship polished, user-friendly web and app interfaces.

TECHNICAL SKILLS

Front End	HTML5, CSS3, JavaScript, TypeScript, React, responsive design, component UI, accessibility basics
UI / UX	Dashboards, forms, leaderboards/gamification UI, mobile-friendly layouts, clear consumer finance flows
Integration	REST APIs, front-end state flows, auth-ready UI, content + product interfaces
Tools	Git, modern browser tooling, design handoff, Agile delivery with engineering teammates
Domain	FinTech UI, credit/budgeting experiences, homeownership preparation products

PROFESSIONAL EXPERIENCE

CEO / Founder — Front End Product Lead

Feb 2020 – Present

Griggs Mutual Holdings, LLC · TGS Financial System / KribSavup · Eastvale, CA

- Lead front-end product direction for KribSavup, a social fintech application focused on budgeting, credit improvement, saving, and homeownership preparation.
- Define and deliver user-facing web/app interfaces—including gamification and leaderboard experiences that keep users engaged while improving financial health.
- Collaborate with developers and AI innovators to implement personalized recommendations and front-end experiences that turn complex finance tasks into clear next actions.
- Oversee UI priorities, feature acceptance, and release readiness so front-end work ships as production-quality product for real users and partners.

President / CEO

Feb 2022 – Present

Steward's Mission, Inc. (501(c)(3)) · Beaumont, CA

- Connect KribSavup front-end finance tools with community financial-intelligence programs so participants can use software the same day.
- Translate real user needs into clear UI requirements for budgeting, credit literacy, and homeownership-prep workflows.

Owner — Mortgage Broker / Real Estate Broker

Jan 2012 – Present

Griggs Mutual Realty & Management · Eastvale, CA

- 25+ years combined mortgages, real estate, and investing experience informing product UX for first-time buyers and credit-focused users.
- Apply domain expertise (FHA, VA, Conventional, reverse mortgages, refinances) to design front-end flows that match real loan and homeownership journeys.
- DRE #01924580 · NMLS #1181539 / 1192399.

General Manager

Oct 1994 – Nov 2014

Commercial Door Company Inc. · Pomona, CA

- Managed operations, teams, and delivery standards—experience later applied to leading distributed product and engineering contributors.

SELECTED FRONT END FOCUS

- **KribSavup UI:** Consumer finance interfaces for credit, budgeting, saving, and homeownership prep.
- **Gamification front end:** Leaderboard and competition UI that motivates financial progress.
- **AI-assisted UX:** Front-end surfaces for personalized recommendations and guided next actions.

EDUCATION

California School of Real Estate — Real Estate Licensing

Dominguez High School — Los Angeles area · 1973 – 1976

ADDITIONAL

- Available for web front end development engagements (hourly or milestone-based).
- Authorized to work in the United States; no sponsorship required.
